

International Forum on Seafarers' EDUCATION, TRAINING & CREWING

ETC-2017

Conference Program

Official support:

19th of April 2017

Venue: National University "Odessa Maritime Academy", 8 Didrikhsona Street

14:00 - 15:30 Pre-Conference round table
"Practical Training Efficiency"

Moderated by Mykhaylo Miyusov, Rector, NU "OMA"

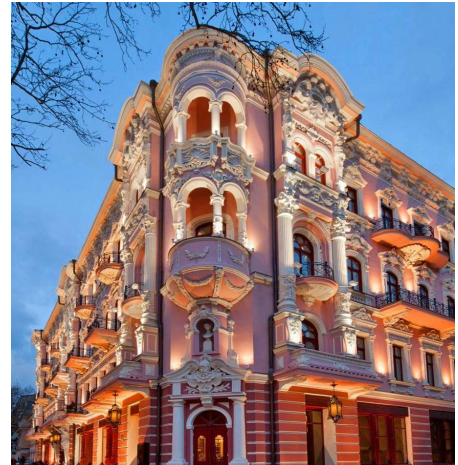

1. Mentoring on-board and ashore
2. Training ships
3. TRB and Assessment of OBT results
4. Simulation and Laboratory Training

15:30 - 16:30 Demonstration of Simulators, Laboratories, Facilities and Equipment of National University "Odessa Maritime Academy", among them:

- TRANSAS Navigation Simulator NTPro5000
- Simulator for Electro-Technical Officers Training
- Kongsberg Engine Room Simulator Wartsila 12RT-FLEX 82
- Laboratory of turning machines for ship engineers

Venue: Bristol Hotel Restaurant
15 Pushkins'ka Street

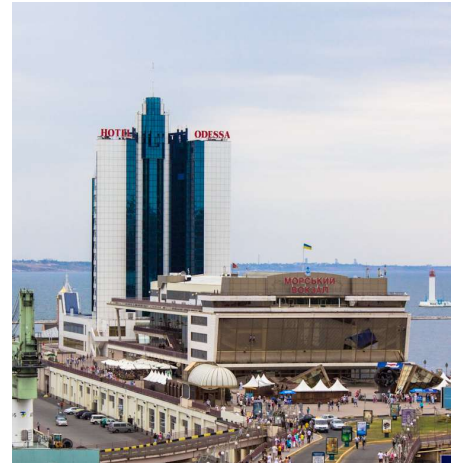

19:00 - 22:00 * Pre-Conference reception sponsored by Marine Transport Workers' Trade Union of Ukraine

* Symbol  marks networking activities

20th of April 2017

Venue: Concert-Exhibition Complex
of Odessa Sea Port, 6 Prymors'ka Street

08:30 - 09:30 Conference participants'
registration.
☕ Coffee and snacks

09:30 - 10:00 Conference opening ceremony

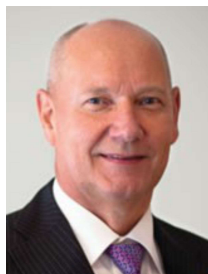

Official greetings of the International Maritime
Organization, the Ministry of Infrastructure of Ukraine and
the Ministry of Education and Science of Ukraine.

Session 1. Industry Overview

Moderated by Pradeep Chawla, Managing Director, Anglo-Eastern Ship Management

10:00 - 10:30

Markku
Mylly

Executive Director
EMSA

Keynote speech:

Development and implementation
of EU legislation on maritime safety,
security, prevention of pollution
by ships

10:30 - 11:00 ☕ Networking break

11:00 - 11:45 Panel discussion
Global Shipping and Manpower Market Situation

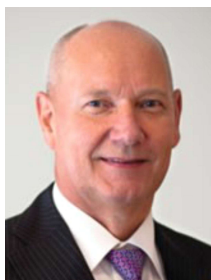

Moderator

Pradeep
Chawla

Managing Director
Anglo-Eastern
Ship Management

Markku
Mylly

Executive Director
EMSA

Aron Frank
Sorensen

Head of Maritime
Technology &
Regulation
BIMCO

Rajesh
Tandon

Chairman
IMEC

John
Lloyd

Chief Operating
Officer
The Nautical
Institute

Discussion
points:

1. Shipping industry critical points and figures
2. Manpower demand and supply
3. Energy transportation trends
4. Manpower cost and quality influencing the industry
5. Offshore sector situation

12:00 - 12:15 Exhibition Opening
Ceremony

12:15 - 12:45 Press Conference

12:30 - 14:00 🍴 Lunch

Session 2. Seafarers' Rights and Human Factor

Moderated by Bogdan Zelenski, President, Alpha Navigation

14:00 - 14:20

Hiroyuki
Yamada

Senior Deputy Director
Maritime Safety Division
IMO

Presentation:

IMO Instruments to Manage Human
Element

14:20 - 14:40

Kimberly
Karlshoej

Head
ITF Seafarers'
Trust

Presentation:

The Health and Wellbeing of Seafarers

14:40 - 15:20 Panel discussion
MLC Implementation

Moderator
Bogdan
Zelenski

President
Alpha Navigation

Kimberly
Karlshoej

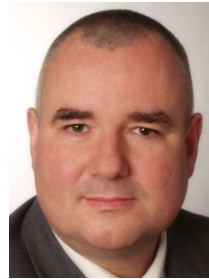

Head
ITF Seafarers'
Trust

Peter
Swift

Vice Chairman
Sailor's Society

Alexander
Spiewok

Auditor
DNV-GL

Oleg
Grygoriuk

First Vice Chair
MTWTU

Discussion points:

1. Implementation experience of different countries
2. Challenges for flag state implementation
3. Difficulties for shipping companies and officers on board
4. Implementation results - What's changed?
5. MLC-2014 Amendments

15:20 - 15:50  Networking break

15:50 - 16:30 Workshop of Critical Questions
Fatigue on Board - Voice of Seafarers

Moderator
Kuba
Szymanski

Secretary General
InterManager

Acting Crew Members Participating:
Captain, Chief Engineer, Deck Officer, Engine Officer, Cadets

Workshop points:

1. Uneven distribution of responsibilities – Who is doing all the work?
2. Long term contracts – How to maintain efficiency through 6-8 months at sea?
3. Failure to comply with regulations of hours of work and rest:
 - Frequent port calls – Is it normal for cargo ship to call a new port every day?
 - Emergency repairs – How to realize the right to rest during «all hands on deck»?
 - Vessel bad technical condition – How to cope with everyday emergencies?
 - Abridged crew – What is the most efficient number of crew members?
 - Documentation overload – How much time do we spend on paperwork?
4. What can be done to provide required hours of rest?

16:30 - 16:50

Arjen
Mintjes

Director
Maritime Academy
Holland

Presentation:

Developing a standardized education and training regime in western European IWT

16:50 - 17:00 Day closing remarks

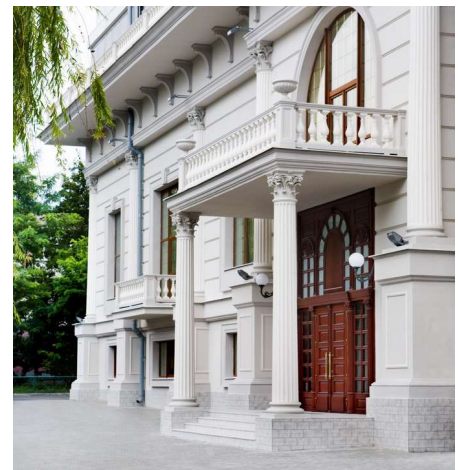

17:15 - 17:45 Bus transfer from Odessa Sea Port to Hotels

18:15 - 18:45 Bus transfer from Hotels to Restaurant

Venue: Banquet Hall «Renaissanse»
172/1 Lyustdorfs'ka Road

19:00 - 22:00 🍷 Forum Official Dinner

Best opportunity to
communicate with delegates
and speakers in the informal
setting

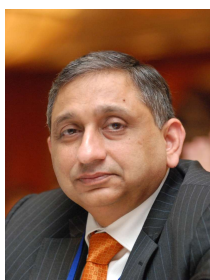

21st of April 2017

Session 3. Management of Human Resources On-board and Ashore

Moderated by [Rajesh Tandon](#), Chairman, IMEC

09:00 - 09:30

Pradeep
Chawla

Managing Director
Anglo-Eastern
Ship Management

Presentation:

Crew management
in times of crisis

09:30 - 10:00

Aron Frank
Sorensen

Head of Maritime
Technology &
Regulation
BIMCO

Presentation:

Cyber security and the need for training

10:00 - 10:45

Panel discussion

Crew Management as a Vital Process of Shipping

Moderator
Rajesh
Tandon

Chairman
IMEC

Norman
Schmiedl

Crewing Director
Columbia
Shipmanagement

Kuba
Szymanski

Secretary General
InterManager

Henrik
Jensen

Managing Director
Danica Maritime
Services

Nikolaos
Kokkinos

Crew Manager
Goldenport
Shipmanagement

Discussion points:

1. Recruitment business processes and techniques
2. Effectiveness of in-house training and assessment
3. Officers growing inside the company, critical importance of cadet programs
4. Motivation of mentoring on-board
5. Retention activities, social programs

10:45 - 11:15

Networking break

Session 4. Maritime Education, Training and Certification

Moderated by Mykhaylo Miyusov, Rector, National University "Odessa Maritime Academy"

11:15 - 11:45

John
Lloyd

Chief Operating
Officer
The Nautical Institute

Presentation:

The Implications for Training of Ice Navigators Following the Introduction of The Polar Code

11:45 - 12:30 Panel discussion

STCW Manila Amendments have entered in force.
Industry changes after 1st of January 2017

Moderator
Mykhaylo
Miyusov

Rector
NU "OMA"

Hiroyuki
Yamada

Senior Deputy Director
Maritime Safety Division
IMO

Nino
Gorgoshadze

Head of Seafarers
Certification Division
Maritime Transport
Agency of Georgia

Stanislav
Nezavitin

Harbour Master
Chernomorsk Sea
Commercial Port

Discussion
points:

1. Replacement of seafarers documents
2. Shipping company responsibility for the assignment of seafarers with relevant documents
3. Effectiveness of adjusted training programs
4. Flow of documents onboard and ashore after implementation – less or more?
5. ETO onboard - pro and con
6. Next Amendments, what have to be changed in 2020?

12:30 - 14:00 🍴 Lunch

Session 5. Simulation Training and Assessment

Moderated by [Alexander Spiewok](#), Auditor, DNV-GL

14:00 - 14:30

Soren Einar
Veierland

Business Development
Manager
Kongsberg Digital AS

Presentation:

Digital Opportunities for the Maritime Industry

14:30 - 15:00

Johan
Gustavsson

Vice President
Sales Operations
Transas

Presentation:

Training in the Digital World

15:00 - 15:45 Panel discussion

Advantages and disadvantages of full mission, part task and PC-based simulators depending on learning tasks

Moderator
Alexander
Spiewok

Auditor
DNV-GL

Soren Einar
Veierland

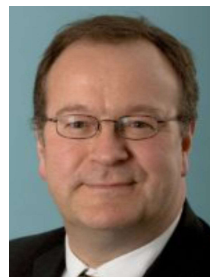

Business Development
Manager
Kongsberg Digital AS

Johan
Gustavsson

Vice President
Sales Operations
Transas

Paul
James

Chief Operating
Officer
IMarEST

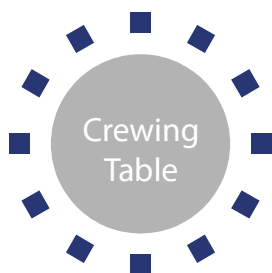

Discussion points:

1. How to select the proper simulator type? Characteristics and restrictions of different types of simulators.
2. Can we train cadets without full mission simulators?
3. Why do you need and how to create a suitable in-house training center?
4. How to find and train the instructor for simulation training?

15:45 - 16:30  Round tables networking coffee time

Promotion. How to explore experience and professionalism of a seafarer?

Moderated by [Bogdan Zelenski](#), President, Alpha Navigation

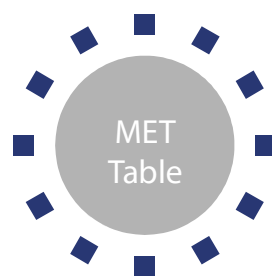

1. What data is the reason for promotion?
2. How many years is needed to reach the top position on board?
3. Consideration of the subjectivity of evaluation on board
4. How to avoid mistakes in promotion of seafarers?
5. Can we trust the ship to the young officer of the watch?

How to create and support an effective pool of maritime teachers and instructors?

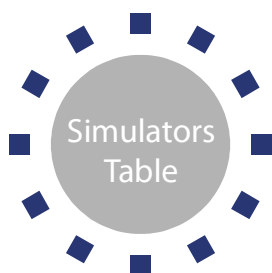

Moderated by [Pradeep Chawla](#), Managing Director, Anglo-Eastern Ship Management

1. Age, salary and experience of MET teachers. How does it affect the quality of cadet training?
2. MET and maritime industry are in the same boat. How to motivate officers to become teachers?
3. Combination of work onboard and ashore (as teacher or instructor).

Suggestions and Requests to Developers of Simulators from the Industry and MET Institutions

Moderated by [Paul James](#), Chief Operating Officer, IMarEST

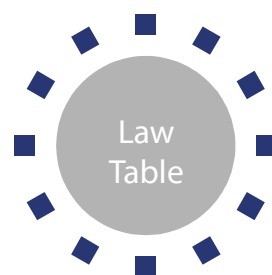

1. What necessary simulators are not represented on the market?
2. Cooperation of MET institutions and simulators' manufacturers for training programs development
3. Integration of simulators with real ship equipment
4. Training efficiency and equipment cost

Personal Injury Claims and Loss of Life Compensations under the Employment Contracts

Moderated by [Artem Volkov](#), Head of Maritime Law Practice, Attorney-at-law, Law Firm "ANK"

1. P&I Insurance Coverage and MLC Convention 2006
2. Foreign Law and Ukrainian Court
3. Loss of Life Compensations
4. Who is "next of kin"?
5. Missing at sea: evidence problems
6. Receipt & Release Statement: legal nature

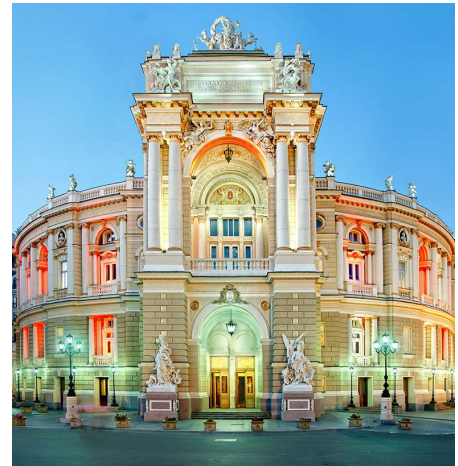

16:30 - 16:45 Conference Official Closing
16:45 - 17:30 🍷 Networking Buffet
17:30 - 18:00 Bus transfer to Opera House

Venue: Odessa National Academic Theater of Opera and Ballet, 1 Chaikovs'koho Lane

18:30 - 22:00 🍷 Opera House visit

The unique opportunity
to attend one of the classic
performances with
colleagues
